

Build your
consultancy

WITH SX3

(or how not to be just “another
bl**dy consultant”!)

**If you are a self employed consultant or
thinking of becoming one, we can help.**

As an Associate of SX3, you'll have a platform to market your skills and experience, as well as instant infrastructure:

Brand

SX3 is a recognised brand with a reputation for fresh thinking, innovation and flexibility, and a proven track record of delivering value to clients.

Professional Indemnity Insurance

Our professional indemnity insurance covers work performed by our Associates.

Registered Company

As an Associate of SX3, there is no need to set up your own company. You can obtain your own work, using SX3 as your umbrella.

Shared Knowledge

You'll have access to a large pool of knowledge shared by all SX3 Associates and our management team.

Are you a consultant already?

We can help develop your client base.

Working with SX3 can develop existing client business and help convert prospects into clients. We have a strong track record in winning new client work.

We can help develop the service proposition to your clients with our product range and through our knowledge of pricing and customer preferences as well as adding weight to your proposal through our branding.

Want to become a Consultant?

If you are thinking about becoming a consultant or facing the prospect of redundancy, please get in touch for a free consultation.

We can share our experiences of setting up as a consultant and give you a flavour of life as a consultant. We can also help you with the transition from an employee to a consultant.
